2009
Leadership Giving Directory

Sponsored by
THE SHELBY COUNTY UNITED WAY

INTRODUCTION

Once again this year, we are amazed by the support given by individuals, families and organizations to improve people's lives and create lasting change right here in Shelby County.

The success of our leadership giving program demonstrates the caring spirit of those who work and live in Shelby County. Cornerstone Society members truly are the foundation of our community.

The Shelby County United Way is especially grateful this year to those listed in this directory. Even during a challenging economic year, these individuals and organizations provided outstanding leadership and support to Shelby County and its citizens.

A sincere and heartfelt THANK YOU to every leader listed in this directory, every leader who chose to remain anonymous, and every donor to our 2009 campaign.

CORNERSTONE SOCIETY INFORMATION

The Cornerstone Society recognizes leaders in Shelby County who generously contribute \$500 and above to United Way's annual campaign.

During the 2009 campaign, Cornerstone Society members represented almost 27% of total campaign contributions. Today, we are more than 450 members strong.

Cornerstone Society members are represented by four levels of giving on an annual basis.

Leadership Giving Levels:

Friends	\$500 - \$999
Benefactors	\$1,000 - \$2,499
Patrons	\$2,500 - \$4,999
Champions	\$5,000 and above

Couples may combine their gifts to qualify for the Cornerstone Society.

We invite you to consider leadership giving during our annual campaign fund drive, or anytime throughout the year.

THANK YOU

On behalf of Shelby County United Way's Enhanced Giving Committee, I wish to extend a sincere "Thank You!" to all of the individuals who donated at a leadership giving level during the 2009 campaign. Your collective generosity represents more than one-fourth of the campaign dollars raised, which is an outstanding accomplishment and a real source of pride in just the second year of the Cornerstone Society.

As a leadership giver to the Shelby County United Way, you have proudly demonstrated your unselfish commitment to help those in need in our local community. As you help shape a brighter future for many, you are inspiring and motivating others to follow your charitable lead. We continue to face challenging economic times in our community, but through your support, our 21 member agencies are better equipped to respond to the needs in Shelby County. I wish you all the best in the coming year, and thanks again for your leadership spirit.

Question:

Why do you support the United Way?

Answer:

"We support the United Way because we feel our dollars are used where most needed, with no duplication of services, because of United Way's monitoring of agencies."

~ Kent and Darlene Craver, Retired

THANK YOU TO CORPORATE LEADERSHIP GIVING

Nearly all of our Shelby County companies did experience a declining sales volume in 2009. Due to that fact, we did anticipate a less than normal gift from our corporations as we entered the fall campaign. After meeting with leaders of the large manufacturing companies in August of 2009, my pessimism turned to optimism as the leaders were giving us encouraging information on their business level and their commitment to the 2009 Shelby County United Way Campaign.

With new enthusiasm, we entered the campaign eager to succeed and surpass our goal. With the help of our Corporate Leaders and their gifts which contributed 37% to the success of our 2009 campaign, we not only excelled in meeting our goal, but most of all, it will allow us to fund all of our agencies during the July, 2010 through June, 2011 year.

Your gifts are truly appreciated!

Bob Parker
Executive Director, Shelby County United Way

Question:

As a long term donor, why do you continue to support the United Way?

Answer:

"I support the Shelby County United Way because it provides the opportunity to help multiple agencies and needs through one gift. The need is great and the good is visible!"

Question:

Why is the Shelby County United Way a good option for individuals wanting to make a contribution in our community?

Answer:

"For us, the Shelby County United Way provides a great vehicle to maximize the impact of our charitable contribution. We believe the Shelby County United Way provides:

- ~ An assurance that the money is well spent in our community due to the diligence of the United Way board.*
- ~ Efficiency in its operations due to very low overhead costs.*
- ~ The opportunity to receive a corporate match for our gift because of Cargill's trust in United Way.*

We're proud to be supporting our community through this fine organization."
